Description	<p>Gidney Fisheries is a Nova Scotia-based seafood company with a proud heritage dating back to 1892, specializing in premium Atlantic lobster products for retail and food service markets worldwide. Operating from a BRCGS-certified processing facility, the company is committed to the highest standards of food safety, quality, and sustainability. Gidney Fisheries offers a diverse range of products including live lobster, whole frozen lobster, High Pressure Processed (HPP) raw lobster meat, and fully cleaned and prepared half lobsters ready for cooking. Continuing its focus on innovation and convenience, the company recently launched new retail offerings such as the Naked Lobster line, making premium lobster products easier and more accessible for consumers to enjoy at home while maintaining the exceptional quality the company is known for.</p>
Products & Specifications	HPP Frozen Lobster Meat, Half Lobster, Whole Frozen Raw Lobster, Naked Lobster (For retail), Shell on lobster tails, Shell off lobster tails
