<b>Description</b>	<p>Muwin Estate is an award-winning owner-operated craft cider and fruit wine producer based in New Ross, Nova Scotia. In September 2025, Muwin Estate launched a new line of prebiotic sparkling sodas.</p> <p>Developed as a daily wellness tool, Novasecco's Prebiotic Sparking Sodas are formulated with purposeful ingredients including soluble corn fibre to support blood sugar response and gut health, taurine for metabolic and nervous system support, and vitamin C for overall wellness. Sweetened naturally with monk fruit and stevia, the sodas contain zero sugar and are designed to appeal to a broad audience, from young adults building healthy habits to busy families and aging consumers seeking simple, effective ways to support long-term health.</p>
<b>Products &amp; Specifications</b>	Novasecco Prebiotic Sodas: 355ml <i>Flavours include Lemon Lime, White Grape &amp; Peach, Classic Cola, Ginger Ale, and Tonic Water</i>
